

Sharing the Blessing, Part 2

Josiah Grauman, Grace Church Missionary and Dean of *Instituto de Expositores*

God sent His Son in the fullness of time. It wasn't random. He had prepared every political, moral, social, religious, and even physical detail, down to the very roads that provided the conduit for His messengers to bring the gospel to the nations.

In many ways it seems like God has made similar preparations for the *Instituto de Expositores* to reach Latin America for Christ. We have been entrusted with the preaching of decades of faithful ministry (including the entire New Testament!), which we then teach in Spanish in rooms filled with the technology to record everything we do. The Internet then lays that recorded instruction at the feet of anyone who would listen.

Beginning this September, we will launch the Institute's first online program—a part-time curriculum focusing on Bible Survey and Systematic Theology, with a heavy emphasis on discipleship and building strong relationships with the local church. We pray that the Lord will use these classes not only to sanctify Latin American churches, but also to bring many men into the deeper pastoral training that we and our other training centers offer.

If you know a Spanish-speaker outside of Los Angeles who might be interested in our program, or if you would be interested in providing a scholarship to help cover a pastor's tuition, please let us know.

Thank you for your prayers. ■

INSTITUTO DE EXPOSITORES

For many years we have desired to have a Biblical Institute in Spanish that is serious and faithful to the Word. Thanks be to God that today this is a reality! My desire is that many more would have the opportunity and blessing of preparing themselves to be faithful servants who rightly divide the Word of truth.

Juanjo Palare

Music director, Grace Baptist Spanish Ministry, Santa Clarita

I have had the desire to study the Word in a seminary since God called me to serve Him as a pastor...now I can't imagine how I would preach if I did not have access to this teaching. The impact has been great both upon my family and upon the Church...I believe the congregation is also growing as a result of what I am learning.

Saul Hernandez

Pastor, Faith Community Church Spanish Ministry, Palmdale

My life has been greatly affected...by the way I have learned to study the word of God to apply it to my life...in ministry, I have learned how to better prepare myself to exposit the Word with authority.

Youth pastor, Iglesia Evangélica Bautista (Evangelical Baptist Church), South Gate
